

How to Pre-populate an Eagle Rank Application

1. Go to Scoutbook Plus
<https://advancements.scouting.org/>
2. Click on the scout and open the profile page
3. Click on the “view more” button next to the Eagle Scout Rank emblem

4. Then on the left side you will see the button for “Open Eagle Application “

It will then **populate and download to your computer a PDF document of the pre-filled Eagle Rank Application to be used and corrected/updated as needed for any Scout.**
