Important Information

Service

Service is a key aspect of the Order of the Arrow and is also an important part of Fall Fellowship.

For our service at the event, we will be working for about 3 hours, from 8:35 AM to 11:45 AM. This work will involve setting up the tents used for winter camp. Through this, we will be giving back to our council by helping them prepare for winter camp.

In addition to the morning service project, there is also a dining service opportunity for those interested. Dining service gives you the chance to work in the kitchen for a 1.5 to 2-hour shift. This allows you to assist in preparing food for event attendees in an amazing industrial kitchen while still being able to enjoy the rest of the event.

If you are interested in taking a shift, select dining service when signing up, or email service@colonneh.org if you have already signed up.

For any questions about service at the event, please email service@colonneh.org, and we will get back to you as soon as we can.

See you at OA Bash!
