

2025 Arrow of Light advancements covered at Webelos & Arrow of Light Quest					
Swimming	Paddle Craft	High Tech Outdoors	Into the Woods	Fishing	Outdoor Adventurer
1. Review Safe Swim Defense.	1. Before attempting requirements 5, 6, 7, 8, and 9 for this Adventure, you must pass the Swimmer Test.	1. With an adult, use a weather app or website to see the forecast for an outdoor activity and discuss any preparation needed to accommodate the weather.	1. Visit an area with trees and plants and conduct a tree inventory. Select one tree and complete the remaining requirements based on that tree.	1. Make a plan to go fishing. Determine where you will go and what type of fish you plan to catch. All of the following requirements are to be completed based on your choice.	1 NOT COVERED
2. Explain the meaning of "order of rescue" and demonstrate the reach and throw rescue techniques from land.	2. Pick a paddle craft you'll use to complete all requirements: canoe, kayak, or stand-up paddleboard.	2. With an adult, find a knot-tying app. Select one knot to learn, and tie it using the app.	2. Determine if your tree is deciduous or evergreen.	2. Use the SAFE Checklist to plan what you need for your fishing experience.	2. Determine what you will bring on an overnight campout including a tent, sleeping bag/gear and how you will carry your gear.
3. Attempt the swimmer test.	3. Review Safety Afloat.	3. Discuss how technology has improved camping gear.	3. Identify a tree and determine if the tree is native or was introduced to your area.	3. Describe the environment where the fish might be found.	3. Review the four points of the SAFE Checklist and how you will apply them on the campout.
4. Have 30 minutes or more of free swim time during which you practice the buddy system and stay within your ability group. The qualified adult supervision should conduct at least three buddy checks per half hour of swimming.	4. Demonstrate how to choose and properly wear a life jacket that is the correct size.	4. Think of a way technology can improve camping gear used on one of your outdoor activity.	4. Find out how your tree deals with wildfire.	4. Make a list of the equipment and materials you will need to fish.	4. Locate the campsite where you will be camping on a map.
	5. Jump feet first into water over your head while wearing a life jacket. Then swim 25 feet wearing the life jacket.		5. Learn how wildlife uses your tree.	5. Determine the best type of knot to tie your hook to your line and tie it.	5. NOT COVERED
	6. Demonstrate how to enter and exit a canoe, kayak, or stand-up paddle board safely.			6. Choose the appropriate type of fishing rod and tackle you will be using. Have an adult review your gear.	6. Upon arrival at the campout determine where to set up your campsite; kitchen, eating area, tents, and firepit. Help the patrol set up the patrol gear before setting up your own tent.
	7. Discuss what to do if your canoe or kayak tips over or you fall off your stand-up paddle board.			7. Using what you have learned about fish and fishing equipment, spend at least one hour fishing following local guidelines and regulations.	7. Explain how to keep food safe and the kitchen area sanitary at the campsite. Demonstrate your knowledge during the campout.
	8. Learn two paddle strokes: power stroke and sweep.				8. NOT COVERED
	9. Have 30 minutes, or more, of canoe, kayak, or stand-up paddle board paddle time.
