

# TROOPS—MAKE AN IMPACT

## AT COUNCIL CUB SCOUT CAMPS!

Cub Scout Adventure Camps are right around the corner, and we need your troop's help to make this fall unforgettable for our Scouts!

When your troop volunteers, it's more than just service—it's a **chance to connect with Cub Scouts and their families**. Younger Scouts get to see the fun and adventure waiting in Scouts BSA, while parents meet your troop and learn what's next in the program.

Those connections make it far more likely that Cub Scouts will cross over and stay in Scouting.

### Here's the bonus:

- Your entire unit can volunteer alongside adult leaders.
- Enjoy free camping and meals.
- Scouts can earn service hours.

**All while contributing to the future of Scouting!**

### Your troop can assist with:

- Guiding Cub Scouts through activities
- Welcoming new families
- Supporting our youth staff
- Help out in the kitchen

**Your time and teamwork truly make a difference.**
