

# Making a Scarecrow

## Materials:

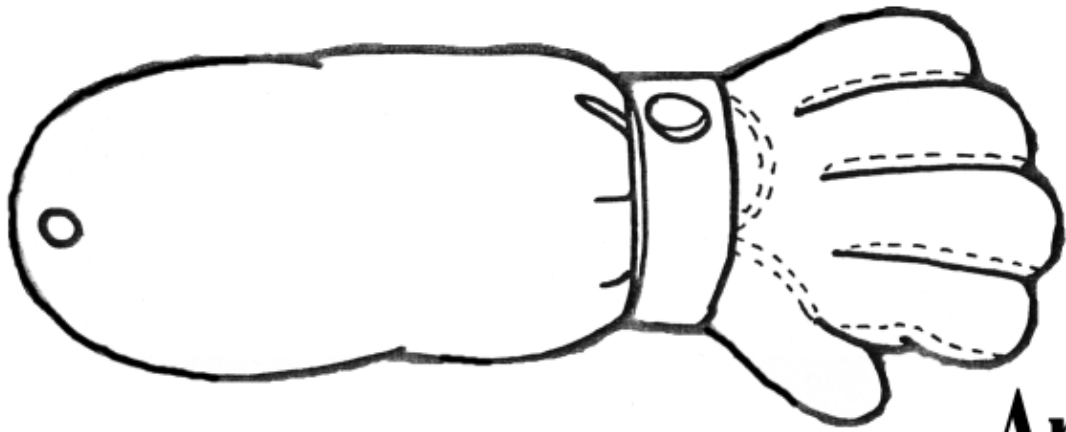

- 1 Scarecrow body sheet
- 1 Scarecrow arms and legs sheet
- Scissors
- Crayons/Markers
- Brad fasteners (4 for each Cub Scouts)
- Push pins (to punch small holes for brads)

## Instructions:

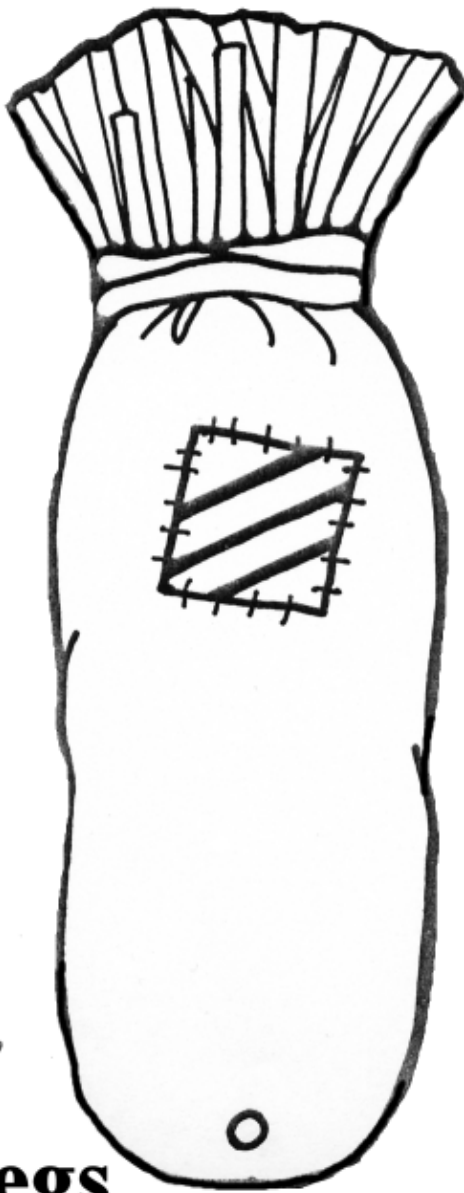

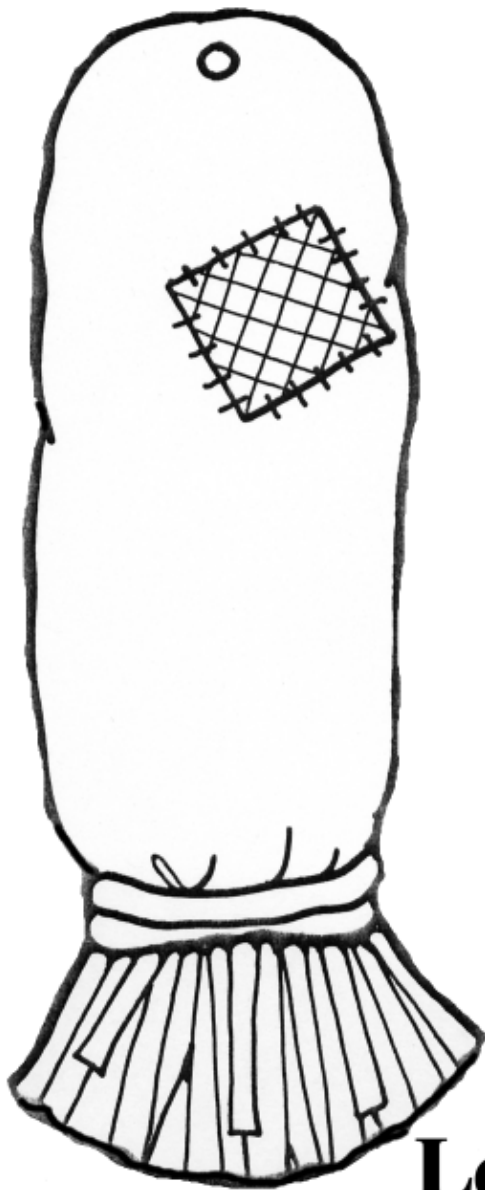

Color and cut out the scarecrow's body, arms and legs. Some Cub Scouts can be cutting out, while others are coloring, and vice-versa.

Attach scarecrow arms and legs to the body using the brad fasteners at the circles. Use a pushpin to begin the holes.
